Subject: **Report on the Annual Thanksgiving Widows' Baskets**

---

## Event Overview

On Saturday, November 22, 2025, the Brothers of Mount Evans Lodge #7 conducted our annual Thanksgiving Widows' Basket initiative. This tradition allows us to fulfill our obligation to our widows while extending our charity to the broader community.

## Preparation & Fellowship

The Brothers convened at the **Senior Warden's residence** to assemble the baskets. This time served as a wonderful moment of fellowship for the Craft. Each basket was thoughtfully prepared and included:

- **Main:** Turkey or Ham
- **Sides:** Corn, Dressing, and Yams
- **Dessert:** Cake
- **Miscellaneous:** Various holiday essentials

I want to extend a sincere "Thank You" to all the Brothers who contributed funds and time to purchase these items. Your generosity made this possible.

---

## Distribution & Charity

We contacted five of our Lodge widows to arrange deliveries. In a beautiful display of the spirit of giving, three of our widows requested that their baskets be donated to families in greater need.

**The distribution was carried out as follows:**

- **Widow Deliveries:** Baskets were delivered to **Ms. McDowell** and **Ms. Ryan**, both of whom expressed their deep gratitude for the Lodge's continued support.

**A Call to the Craft**

Brothers, while I am thankful for the dedication of Past Master Howard, we must do better with our attendance. Our Lodge's strength is measured not just by our work within the Trestleboard, but by our presence in the community. When we show up in small numbers, it diminishes our impact. I challenge each of you to prioritize these events moving forward so that Mount Evans #7 is represented with the full strength and dignity it deserves.

---

**Closing**

Despite our small numbers, the Lodge was accounted for, and we fulfilled our duty to the community and the Craft. Let us strive for a much stronger showing at our next outing.

**Subject: Financial Committee Proposed Lifetime Dues**

Worshipful Master, Past Masters, Wardens, and Brothers,

To establish a financially sustainable Lifetime Dues Program that encourages long-term commitment while providing the Lodge with immediate capital for reinvestment. This proposal updates our previous approach by using a tenure-based structure, a variable markup scale, and a 2-year installment option for newer members.

**Assumptions:**

- Annual Lodge dues: \$191
- Inflation rate: 3% per year on average
- Investment return: 7% per year (Conservative Assumption)
- Lifetime dues are calculated over 50 years of total service
- Tiered pricing model includes variable markups based on years of service

**Proposed Lifetime Dues by Tenure Tier**

Years of Service	Estimated Years	NPV of Growing Dues	What They'd Pay Over Time	Markup %	Recommended Lifetime Fee
1 (0–5 years)	50	\$4,064	\$22,191	+50%	\$6,096
2 (5–15 years)	40	\$3,735	\$14,834	+40%	\$5,229
3 (15–25 years)	30	\$3,252	\$9,360	+20%	\$3,903
4 (25–35 years)	20	\$2,115	\$5,286	+10%	\$2,327
5 (35+ years)	10	\$1,247	\$2,255	0%	\$1,247

**Justification for Tiered Model:**

- Higher markups for early-tenure Brothers reflect their longer expected engagement and need to mitigate potential risk over tenure.
- Modest pricing for senior Brothers recognizes their long-term service and reduces financial burden in later years.
- This structure helps fund the Lodge's financial obligations while ensuring fairness across service levels.

#### Installment Option for Members:

To encourage affordability, members in the 0-5- and 5-15-year category may opt to pay 50% of the Lifetime Fee in Year 1 and the remaining 50% in Year 2. **No refunds will be issued once the first installment is paid.**

Tiers 4 & 5 will enroll on a first-come, first-serve basis and will only be admitted after commitments from Tier 1 (1:2) and Tier 2 (1:1).

#### Sustainability and Forecast:

The Lifetime Dues Program is designed to balance affordability for members with long-term financial resilience for the Lodge.

Dues have been priced based on a **conservative 7% investment return**, which provides a prudent foundation for maintaining adequate reserves. However, internal financial modeling also considered a **15% annual return** scenario, achievable through pooled investments, ETFs, or other vehicles already approved by the Lodge.

To demonstrate feasibility, the Financial Committee modeled a scenario with **8 members enrolled across tenure tiers**, including the 2-year installment option for new members:

- **Total collected:** \$29,181
- **Total dues liability (NPV):** \$22,647

With proceeds invested at 15%:

- After **5 years**, the fund would grow to **\$36,668**, yielding a **149.6% return** on obligation
- After **10 years**, the fund would reach **\$113,686**, with a **+402.0% return** and **\$91,039 in margin**

These results confirm the program's sustainability, even after satisfying all future dues obligations. The model assumes disciplined investment, limited refund exposure, and continued oversight by the Financial Committee.

#### Voluntary Participation:

This program is entirely optional. Members who wish to continue annual payments may do so. Lifetime payments are non-refundable and non-transferable.

Greetings Good Brothers,

It is with great joy and anticipation that I announce the Second Annual Mount Evans Lodge #7 Craft Retreat.

We have secured a beautiful cabin in Fairplay, Colorado for the week of **March 2–9, 2026**. While our retreat is planned for the weekend **March 6–8, 2026**, the property is booked for the full week. Below are pictures of the property. I will be there the entire week and warmly invite any brother who is able to join me. Your significant others and families are welcome during that time, and it will be a wonderful opportunity for fellowship and bonding before the retreat officially begins. Come up and join us whenever it is convenient for you and stay as long as you like.

At this time, I am requesting agenda items and workshop ideas. Please share your input with me, or with our Senior and Junior Wardens, so that we can plan a meaningful and engaging program for the Craft. All Committees are expected to present at the retreat to inform the craft of your progress and accomplishments.

**The property sits on 10 private acres** and is well-equipped for comfort and community. With five bedrooms, it can accommodate up to 16 guests. Amenities include a hot tub, fire pit, mountain views, fishing, hiking trails, pool, camping space, and more. The rooms will be assigned on a first-come, first served basis, so **please RSVP with the following link to confirm your space:**

<https://www.eventbrite.com/e/mont-evans-lodge-7-retreat-tickets-1666073102499?aff=oddttdtcreator>

**Most importantly, this retreat is free of cost to all brothers.** Come at your leisure, bring your family if you wish, and enjoy a week of fellowship, rest, and renewal. Be sure to bring food you want to eat and share.

Your participation is requested and essential to the success of our Lodge. Let us gather once again to strengthen the bonds of brotherhood, build upon the light we share, and ensure #7 continues to move onward and upward in our community.
